

The Gary Pressley Jr Scholarship Application

The North Carolina Water Ski Association makes available scholarships to current high school juniors through college juniors. This program requires the applicant to be an active and in good standing member of the NCWSA. The scholarship funds may be applied to college, university or technical school educational expenses.

The scholarship is designed to be awarded to the individual that is not only an active skier but is active in their respective community and the water ski community. The consideration is not focused on tournament scores and it is desired that there are a number of candidates each year that apply for this scholarship. Evaluation will be completed by a set of judges as appointed by the NCWSA board, using subjective evaluations of this application and the judges recommendation will be provided to the NCWSA board, the board will make the decision of the winning applicant. Although it is expected that the application will be the extent of information required, the board may request additional information to complete the decision process.

The application period begins following Nationals and ends May 31st of each year. The winner will be announced each year at the North Carolina State Championship during the banquet.
